

AQUAVENTURE WATERPARK OPENS TODAY AT ATLANTIS SANYA

*Internationally Multi-Awarded and Globally Recognized Aquaventure Waterpark
Brings Exhilarating Water Play to Sanya, Hainan.*

Sanya, China (May 26, 2018) - Atlantis Sanya's internationally acclaimed 200,000 square meter Aquaventure Waterpark opens today. Guests at the resort enjoy complimentary access to the waterpark, and day visitors can experience the Aquaventure Waterpark with an admission fee that starts from CNY 358 for adults and CNY 258 for children, persons with disabilities, and senior citizens.

Aquaventure Waterpark is a world-class waterpark, and will be the first waterpark in China that is open every single day of the year, offering excitement for families and friends all year-round. The vast collection of fast-moving waterways and mysterious underwater rivers and tunnels throughout the waterpark is sure to excite visitors and get their adrenaline pumping. Spanning across an astounding 200,000 square meters, Aquaventure is truly one of the most expansive and sensational resorts of its kind in the region. The waterpark offers guests unparalleled excitement and larger than life experiences. Guests can enjoy a multitude of different slides, get up close and personal with sharks and rays. Whether you are a water coaster fanatic or just looking for a relaxed splash around in the pools, Aquaventure Waterpark promises fun for everyone.

"Aquaventure Waterpark is really at the core of all the fun and excitement here at Atlantis Sanya, offering hours of spectacular entertainment and delight for every visitor," remarked Atlantis Sanya Managing Director Heiko Schreiner. "Aquaventure Waterpark has won praise from all over the world and we are very excited to be able to offer our in-house guests complimentary access to the waterpark. Open every day of the year, we expect Aquaventure Waterpark to be warmly received by guests and visitors upon its official opening."

Atlantis Sanya has worked with the industry's best in developing the Aquaventure Waterpark. RAD Architecture Inc. led the waterpark's masterplan. The most advanced and state-of-the-art water slides in the world were created by ProSlide® - the global leader in waterslide design and manufacturing - to provide guests with thrills, fun family moments and memories to last a lifetime.

The waterpark's gravity-defying water slides will be sure to delight and excite. With 15 of the best rides in the world from ProSlide offering a whopping 35 individual and unique experiences, combined with the Torrent River and wave

pool, there is the perfect ride for everyone at Atlantis Sanya. For the daring and brave-hearted, the SuperLOOP™ is the waterpark's most audacious ride, only for the courageous and ambitious. Longer than a hundred meters, the ride is packed with twists and turns that will have guests reeling and whirling. Another highlight is China's first ever RocketBLAST® water coaster. This slide uses water jet propulsion technology to powerfully drive three-person boats quickly uphill with steep drops and tight turns throughout the ride. This ride will no doubt quickly become a fan favourite among visitors to Aquaventure Waterpark, propelling thousands of riders throughout the day, creating unmatched enjoyment for all visitors.

At the Neptune Tower is a gravity defying slide, Leap of Faith a 25.1-meter high speed freefall slide that takes guest on a journey through the shark tank. This tower and slide is the focal point of vision for guests as they enter the waterpark. The Shark Safari at the Neptune Tower have sharks and stingrays where guest can get up close and immersive with in-tank scuba experiences and sea trekking adventures or stingray feeding sessions.

"Atlantis Sanya and Aquaventure will be the ultimate vacation destination in the region," says ProSlide CEO and President Rick Hunter. "They will deliver so many incredible guest experiences in one park experience. One of the most exciting attractions at Aquaventure is the ProSlide RocketBLAST™ water coaster, the first ever in China. Atlantis Sanya is way out in front of the competition!"

The Rapids River is one of the longest waterpark rivers in the region at 1.8 kilometres long, and will take riders on a bumpy and electrifying journey along the tumultuous tributary. The Wave Rider and Tornado Spin - the world's very first "BehemothBOWL™ 40/TORNADO® 60" combination ride - are two hybrid attractions perfect for the whole family to enjoy together, and can accommodate up to 720 riders every hour.

For the resort's younger visitors, Splashers is the ultimate fun-filled destination and will be high on the radar of all children visiting Atlantis Sanya. The child-friendly slides and attractions will keep the kids preoccupied for hours with immersive under-the-sea themed excitement as they slide through shoals of fish, around sunken ships and past ancient treasures from the Lost City of Atlantis. There's even a 1,600-gallon seashell tipping bucket that dumps plumes of water onto the excited children when they are least expecting it. The youngsters will love everything that Splashers has to offer and with 19 exciting rides in total designed specifically for children of all sizes, they will be begging their parents to stay longer and longer. It's a sprawling complex for families to interact and enjoy with child-like excitement.
