

## Atlantis, The Palm Aquaventure Waterpark

Following an expansion in March 2021, the Middle East's number one waterpark grew by one third, leading it to break the official Guinness World Records™ title for the Most Waterslides in a Waterpark in September 2022 – making Atlantis, The Palm's waterpark the largest in the world. With the addition of the brand-new Trident Tower, Splashers Lagoon and Splashers Cove, Aquaventure is now home to over 28 additional slides and attractions, bringing the total number to over 105 slides, attractions, and experiences across the 22.5-hectare park. With several record-breaking slides and firsts in the region, thrill-seekers can enjoy Odyssey of Terror; the world's tallest waterslide with a Double TornadoWAVE®, Shockwave; the longest family rafting water coaster in the world, Medusa's Lair; the first dueling PIPElineBLAST® Water Coaster slide in the region and Immortal Falls; the first Cliff jumping in the region. Guests can also enjoy 1km of private beach, motorised and non-motorised watersports and 26 marine experiences including Dolphin Bay, Sea Lion point and the shark lagoon. Atlantis Aquaventure also comprises one of the largest open-air marine habitats in the world, with more than 65,000 marine animals in lagoons and displays including The Lost Chambers Aquarium, a maze of underwater corridors and passageways providing a journey through ancient Atlantis. In April 2022, Aquaventure became the first waterpark in the Middle East to become an IBCCES Certified Autism Center™ with all colleagues trained and equipped to support guests with Autism Spectrum Disorder (ASD). Voted the number one waterpark in Dubai and the Middle East and the second best in the world by TripAdvisor, it is a leader in aquatic theme parks.

## The Towers

### *Trident Tower (2021)*

- 48-metres tall
- The newest and greatest tower, the mighty trident is the source of Aquaventure's incredible power. The Trident enabled the kings of Atlantis to rule over the ocean.
- Signature slides: Odyssey of Terror /Shockwave/Medusa's Lair/Hydra Racers/Blackout

### *Poseidon Tower (2015)*

- 39-metres tall
- Poseidon is the god of the sea. One of the most ill-tempered and short-tempered Olympian gods there is, ride his slides with caution!

- Signature slides: Poseidon's Revenge/Aquaconda/Zoomerango/Slitherines

#### *Neptune Tower (2008)*

- 38-metres tall
- Neptune is said to have sent tidal waves powerful enough to suck people off the shoreline at his disposal. Unpredictable in nature, expect the unexpected when you ride the slides in his tower
- Signature slides: Leap of Faith/Shark Attack/ Stinger, The Falls and The Surge

## Trident Tower

Opened in 2021, Trident Tower is the biggest tower in Aquaventure at 48-metres tall and home to 12 record-breaking slides and attractions. Record breaking slides include the world's tallest waterslide with a Double TornadoWAVE®, the longest family rafting water coaster in the world and the tallest vertical drop body slide in the Middle East.

#### *Odyssey of Terror*

Riders accelerate and gain speed and momentum as they sweep up and across the apex of the wave where they momentarily experience near weightlessness before freefalling down the other side of the curved wall.

- Thrill Level: HIGH THRILL
- Family rafting ride
- First slide in the region with a Double TornadoWAVE®
- World's tallest waterslide with a Double TornadoWAVE®

#### *Shockwave*

This unique water ride is a combination of speed, power, and rafting adventure all in one. Families of up to six blast forward 449 metres for over one-minute through a series of tunnels, at the speed of a giant slalom ski course. Riders drop and dive as they race along the outer wall of the curve anticipating the next change in direction as they look down the fall-line.

- Thrill Level: MODERATE THRILL
- Family rafting water coaster
- The world's first MammothBLAST™ family rafting water coaster
- The longest family rafting water coaster in the world

#### *Medusa's Lair*

An intricate web of twists and turns, just like Medusas' snaky hair. Riders are blasted through a series of dark caves, steep slopes and drops as they race one another to the end.

- Thrill Level: HIGH THRILL
- Body slide
- First dueling PIPElineBLAST® Water Coaster slide in the region
- Longest dueling PIPElineBLAST® Water Coaster in the world

#### *Blackout*

Billed as the scarier sister to Leap of Faith, daring riders plummet down an almost-vertical drop that delivers extreme thrills and high velocities from beginning to end.

- Thrill Level: HIGH THRILL
- Body slide
- Tallest vertical drop body slide in the Middle East

### *Hydra Racers*

Four racers at a time can challenge one another to be the first to the bottom to win the "trident"

- Thrill Level: MODERATE THRILL
- Mat Racer
- World's first RallyRACER® with crossover RallyPOINT™ design

### *Immortal Falls*

Experience Dubai's first thrill-seeking, gravity-defying cliff jumps - leaping down the Immortal Falls for those that dare to dive.

- Thrill Level: MODERATE THRILL
- Cliff Jumping
- First Cliff jumping in the region

### *Vortex*

Slide down the vortex twister and rush through back-to-back turns, curves, drops and 360 loops for the ultimate fun and thrilling ride before you plummet down the lagoon.

- Thrill Level: MODERATE THRILL
- Body slide

## Poseidon Tower

Constructed in 2013, the USD\$27 million Tower of Poseidon has raised the stakes in entertainment, featuring record-breaking slides including, the world's largest waterslide, the world's first dual waterslide within a waterslide, the UAE's only dual racing loops, and the longest – and only – waterpark zipline in the Middle East.

### *Poseidon's Revenge*

The ride consists of two capsules equipped with terrifying trapdoors. As the rider stands upright, the trapdoor suddenly drops out ahead of a 31-metre fall. Riders accelerate through the loop at 60 kilometres per hour on the 116-metre long journey.

- Thrill Level: HIGH THRILL
- Body slide

### *Aquaconda*

The perfect adventure for thrill-seeking friends with a 6-seater tube. The world's largest waterslide tube for extreme careering, the 9.2-metre wide and 25-metre tall Aquaconda mercilessly catapults riders at 35 kilometres per hour through a dark serpentine tunnel with unexpected twists and turns and intense banking 4.6 metres up the walls.

- Thrill Level: MODERATE THRILL
- Family rafting water coaster

### *Slitherines*

At 31 metres high and 182 metres long, Slitherines is the world's first dual waterslide within a waterslide experience. Riders brave twists, turns and terrifying darkness in spectacular fashion, before realising they are in the belly of the beast, suspended above riders of the Aquaconda slide far below.

- Thrill Level: MODERATE THRILL
- Body slide

### *Zoomerango*

The perfect adventure for thrill-seeking friends with a 6-seater tube. Experience a mix of sensations—from mega drop plummets to vertical zooms that create a sense of weightlessness for a short second at the peak of a 14-metre high vertical wall.

- Thrill Level: HIGH THRILL
- Family rafting water coaster

## Neptune Tower

Visible from the fronds of The Palm as well as from Dubai's mainland, this Mesopotamian-styled tower reaches 30 metres into the sky

### *The Leap of Faith*

Riders of the infamous Leap of Faith drop 9 storeys in 3 second and the near-vertical drop is a daring 27.5 metres. Riders are propelled 60 kilometres per hour through a clear acrylic tunnel submerged in a shark-filled lagoon.

- Thrill Level: HIGH THRILL
- Body slide

### *Shark Attack*

The Shark Attack begins 13 metres up the Ziggurat. The slide spins riders on one- or two-person inner tubes into the blackness of the tower's mysterious core. Riders emerge through the shark-filled lagoon at a leisurely 'shark-viewing' pace.

- Thrill Level: MODERATE THRILL
- Family water coaster

### *Stinger, The Storm, The Falls and The Surge*

These inner tube slides use innovative technology to create a water roller coaster, propelling riders up and down on jets of water throughout the Aquaventure waterscape.

- Thrill Level: MODERATE THRILL
- Family water coaster

## River Rides

Surrounding The Tower of Neptune, The Tower of Poseidon and Trident Tower is a complex river ride system with waves pushing inner tube and lifejacket wearing riders through the lush landscape, as they navigate around the park.

### *The Torrent*

The Torrent is a wave river of 700 metres. A wave generator simulates a water surge that is capable of swells reaching more than 1 metre high at more than 94,000 litres per minute that propel riders in their inner tubes on the crests of the waves, along the course of the river.

### *River Rapids*

The Rapids is a 1.6-kilometre river adventure, where 15 million litres of water is used to propel inner-tube riders through the high intensity rapids, wave surges and waterfalls. Riders navigate the waterpark via The Rapids, as it passes by all of the major slides throughout Aquaventure, taking an impressive 45 minutes to circumnavigate the park. A variety of large pools with spacious sun decks are available along The Rapids, allowing guests to easily dip-in and out of the water at their leisure.

### *Trident's River/Raging Rapids*

Guests can experience what it feels like to be raging through a number of roaring water elements, from powerful waves, high-pressure bubbles and currents to tempt the most daring youngsters and adults alike.

## Children's experiences and activities

### *Splashers Mountain*

- Splashers is a water playground featuring elaborate water games, slides and structures, providing a world of thrills and lots of water spills for children less than 1.2 metres - and their parents
- Two enormous tipping buckets spin on their axis and release 1,400 litres of water at various intervals, soaking those brave enough to stand below
- Children delight in the interactive climbing frames, or challenge one another across one of the 5 rope bridges that interconnect with 10 water slides, whilst comrades use water jets and cannons on family and friends

### *Splashers Island*

- Located next to Splashers Mountain, and at almost three times the size, Splashers Island launched in April 2018
- Suitable for families with children 1.2m and below, the area features 20 thrilling water attractions, as well as the addition of a giant dry-play structure in the shape of a Dhow shipwreck
- Featuring fun-soaked experiences for the whole family to enjoy, highlights of 'Splashers Island' include 7 brand-new body and tube slides, as well as the first KIDZ Tornado and KIDZ Bowl in the MEA region, which are exact replicas of the popular Aquaventure adult slides, but for kids!

### *Splashers Lagoon & Splashers Cove*

- Launched in 2020
- Home to two new adventure-packed towers with over 16 fun attractions
- Record breaking children's slides include:
  - Riptide: The Middle East's first six-lane KIDZ ProRACER®
  - Comet Racers: The world's first KIDZ RallyRACER®
  - Swirl: The first KIDZ TORNADO 24® slide in the Middle East (twice the size of Aquaventure's existing KIDZ TORNADO® 12 at Splasher's Island)

### *Family-Friendly Facilities*

- Splashers Lagoon & Cove has a private entrance within Aquaventure
- Family zones feature shaded sun loungers, direct access to the Aquaventure Beach and river, washrooms, a retail store, padded play areas and professional lifeguards.
