### **About Lunar New Year**

Otherwise known as the Spring Festival, the annual event marks the first day on the traditional lunisolar Chinese calendar. On 21<sup>st</sup> January this year, the animal sign will switch from the tiger to the rabbit, symbolising that 2023 is a year for patience and luck. Cautious and considerate, the rabbit represents humility, elegance and kindness, and many people born under this zodiac sign possess these positive traits.
