

## Atlantis, The Palm The Lost Chambers Aquarium & The Ambassador Lagoon

Lost for thousands of years deep beneath the sea, the ancient ruins of The Lost City of Atlantis have finally been uncovered. Guests can experience the myth of Atlantis through the resort's AZA-accredited Lost Chambers Aquarium and The Ambassador Lagoon. With daily complimentary access offered to all guests of Atlantis, The Ambassador Lagoon and The Lost Chambers Aquarium combined are home to over 250 species and 65,000 marine animals including Moon Jellies, Moray Eels, Lobsters, Eagle Rays, and Arabian Carpetsharks. These are thriving educational environments for all guests to discover marine life and learn more about how to protect it. Atlantis, Dubai was the first destination in the Middle East to receive accreditation from the Association of Zoos and Aquariums (AZA), the international gold standard for animal welfare, in March 2020. The aquatic destination became a member of World Associations of Zoos and Aquariums (WAZA) in August 2021. From June 2021 onwards, for every marine experience booked at The Lost Chambers and The Ambassador Lagoon, 1 USD will be contributed to conservation, sustainability, and environmental education initiatives as part of Atlantis Atlas Project.

## THE LOST CHAMBERS AQUARIUM

Guests can discover the maze of underground tunnels and 21 exhibits of The Lost Chambers, bringing them into close contact with the myth and the advanced inventions of the ancient Atlanteans. With a gold standard accreditation from the Association of Zoos & Aquariums (AZA), guests can be assured that The Lost Chambers meets the highest standards for animal care and welfare. As part of the [Atlantis Atlas Project](#), children and adults alike can also take part in a range of extraordinary educational programmes and experiences that provide an up-close look at the resort's magnificent animals and how we look after them. All of our educators are trained to deliver the highest quality programmes, ensuring an exciting and memorable experience and our aim is to build a lifelong appreciation for marine life and encourage our guests to protect nature and our oceans. For every marine experience booked, 1 USD is contributed to conservation, sustainability, and environmental education initiatives as part of Atlantis Atlas Project.

### MARINE EXPLORERS PROGRAMME

Experience first-hand, in this family friendly programme, what it takes to be part of our Aquarist team and join them in the shallow water of Aquaventure's Shark Lagoon. Get an up-close look at starfish, sea cucumbers and other rockpool species. This hour-long programme will also include an exclusive chance to feed baby rays and learn about how we care for them.

- Ages: 3 and above
- Daily at 11:00am – 12:00am
- Prices start from AED 340 including free same day access to Aquaventure Waterpark and certificate

### SHARK SPECIALIST PROGRAMME

Budding Shark Specialists will enjoy a visit to the state-of-the-art Fish Hospital with our Aquarists and learn about our different species of sharks and how we care for them. Guests will get a chance to feed our sharks, learn about our breeding programmes and discover what it takes to care for 65,000 marine animals in The Lost Chambers Aquarium.

- Ages: 8-14 years old
- Every Monday, Wednesday and Saturday from 01:00pm – 03:00pm

## THE AMBASSADOR LAGOON

The Ambassador Lagoon is an 11 million litre, 10-metre-deep, marine habitat and underwater exhibit home to 250 species of marine life and 65,000 marine animals, with a viewing panel looking directly into the mystical ruins of Atlantis. This habitat focuses on marine life found in the local waters of the Arabian Gulf, including golden trevally, cobias, crescent angelfish and a variety of sharks and rays. Here, guests can watch the sea life peacefully while learning about fish species and ocean preservation. Atlantis Dubai is home to more than 65,000 marine animals cared for by a dedicated team of animal care professionals and an onsite veterinary team showcasing our commitment to maintaining and surpassing the highest standards of animal care, conservation and education. We are proud to be accredited by the Association of Zoos and Aquariums (AZA), the global standard for animal care, as the first destination in the Middle East to receive this internationally recognised, gold standard accreditation. In addition, Atlantis, Dubai are members of the World Association of Zoos & Aquariums (WAZA), a 400-strong global community working to support wildlife and improve animal welfare standards. For every marine experience booked, 1 USD is contributed to conservation, sustainability, and environmental education initiatives as part of Atlantis Atlas Project.
