

OCEAN-THEMED RESORT ATLANTIS, THE PALM, GIVES GUESTS AND VISITORS THE CHANCE TO LIVE LIKE THE SUPER HERO WITH THE ULTIMATE “AQUAMAN” MOVIE-INSPIRED PACKAGE

As the official hotel partner of the Warner Bros. Pictures action adventure “Aquaman”, Atlantis is giving fans the chance to “breathe”, walk and live underwater, just like the aquatic DC Super Hero

DUBAI, United Arab Emirates – Atlantis, The Palm in Dubai has partnered with Warner Bros. Pictures for the “Aquaman” movie launch, to give guests and visitors a taste of what it’s like to live the life of the aquatic Super Hero.

The ocean-themed entertainment resort is offering fans a chance to harness Aquaman’s superpowers by “breathing” underwater and exploring the deep, with **20% off general online admission prices** on all dive activities in The Ambassador Lagoon on visits from 12th December until 31st January 2019. Guests simply need to present an Aquaman movie ticket/receipt to redeem on activities including Atlantis Aquatrek, Ray Feeding, Shark Safari, Ultimate Snorkel, Dive Discovery, Dive Explorer and the chilling Predator Dive. Bookings can be made at The Lost Chambers Aquarium Ticketing Plaza or by calling 04 426 1040.

As the official hotel partner of the movie, the iconic entertainment resort destination—which majestically rises from the Arabian Gulf—has also pulled together the ultimate **“Aquaman Package”**, giving guests the chance to live just like the half-surface dweller, half-Atlantean and heir to the throne of the underwater city of Atlantis. Worth an impressive AED 50,200, the ultimate **“Aquaman Package”** includes:

- **A stay for two adults in an Underwater Suite for two nights.**

Each Underwater Suite comes equipped with a 24-hour butler and floor-to-ceiling views looking upon the majestic underwater Ambassador Lagoon.

- **A Dolphin Adventure for two at Dolphin Bay.**

Guests can swim with dolphins in this deep-water encounter.

- **A Fish Tales Tour for two in The Lost Chambers Aquarium.**

Whilst Atlantis, The Palm can’t teach guests to communicate telepathically to fish like Aquaman can, they can help budding ichthyologists get well acquainted with various species. During the

tour, guests will be introduced to some of the 65,000 marine animals that call Atlantis their home, including a visit to the shark and ray nursery.

- **A private personal training session for two in ShuiQi Spa and Fitness followed by a 60-minute full body massage.**

First develop superhuman strength like Aquaman, then relax like a Super Hero, too.

- **An Atlantis Aquatrek experience for two.**

What's a day in the life of Aquaman without being able to breath underwater? Atlantis invites guests to do just that with a special scuba experience.

- **An underwater dinner for two in the award-winning seafood restaurant Ossiano.**

In the film, Aquaman spends a lot of time in the water, but also steps onto solid ground to visit his dad and sample a beverage or two, and maybe a little seafood. Guests can therefore dine their way through a seven-course set menu with wine pairing, while otherworldly stingrays glide by like small Atlantean ships.

Price is on application and T&C's apply. To book email adayinthelifeofaquaman@atlantisthepalm.com

For the months of December and January, Atlantis The Palm will come to life with an "Aquaman" movie-inspired theme, providing touchpoints for guests and visitors to "interact" with the Super Hero. Guests can grab a selfie with a two-metre tall Aquaman statue in The Lost Chambers Aquarium, enjoy an "Aquaman"-themed cocktail, and watch unique action-loaded, behind-the-scenes footage of the movie on in-resort screens.

Guests and residents can also book the **Aquaman staycation package**, which includes a 3-night stay in a room or suite with a complimentary Aquatrek experience for two guests. Stays must be booked by 31st January and redeemed by 31st December 2019. Prices start at 999AED.

From Warner Bros. Pictures and director James Wan comes an action-packed adventure that spans the vast, visually breathtaking underwater world of the seven seas, "Aquaman", starring Jason Momoa in the title role. The film reveals the origin story of half-human, half-Atlantean Arthur Curry and takes him on the journey of his lifetime—one that will not only force him to face who he really is, but to discover if he is worthy of who he was born to be...a king.
