

THE AMBASSADOR LAGOON AND THE LOST CHAMBERS AQUARIUM

Lost for thousands of years deep beneath the sea, the ancient ruins of The Lost City of Atlantis have finally been uncovered. Guests can experience the myth of Atlantis through the resort's Lost Chambers Aquarium and The Ambassador Lagoon. With unlimited complimentary access offered to all guests of Atlantis, The Ambassador Lagoon and The Lost Chambers Aquarium combined are home to over 250 species and 65,000 marine animals including Baby Stingrays, Moon Jellies, Moray Eels, Lobsters, Eagle Rays, White Tip Reef sharks, and Arapaima.

THE AMBASSADOR LAGOON

The Ambassador Lagoon is an 11-million-litre marine habitat and one of the top ten largest aquariums in the world. It is also the largest open air aquarium in Africa and The Middle East at just over three million gallons. Home to approximately 65,000 marine animals, the lagoon's viewing pane, located in Poseidon's Court is 10 meters long and 70cm thick and provides guests a unique window into the underwater world of Atlantis. This habitat focuses on marine life found in the local waters of the Arabian Gulf, including Golden Trevallys, Cobias, Crescent Angelfish and a variety of sharks and rays. Here, guests can watch the sea life peacefully and learn about fish species and ocean preservation.

Unlimited complimentary access for in house guests. Open 24 hours a day

Aqua Trek

Ideal for children 8 years and above, Aqua Trek in The Ambassador Lagoon allows guests to explore the aquarium from a 3 metre shallow ledge, allowing them to discover how it feels to breathe and walk underwater. Using a special helmet, guests can enjoy the thrill of being surrounded by rays, sharks and colorful fish during the trek underwater.

Fish Tales Tour

ATLANTIS

THE PALM, DUBAI

Guests are invited back of house to see what it takes to care for over 65,000 marine animals in Atlantis with the behind the scene tours. Following the water's path to our filtration systems, the tour reveals the 5.9km of pipe work used to filter the lagoon (which is longer than the length of the Palm itself) as well as showcasing the jobs of the 45 people who work around the clock to ensure the water is successfully filtered. Guests are then welcomed to the Atlantis fish hospital and nursery, where interactions with new born jellyfish, seahorses, clownfish, sharks and rays happen daily. The tour ends on a visit to the fish kitchen where the team prepare over 400 kilos of food per day, culminating with a fish feeding.

About Atlantis, The Palm, Dubai

Atlantis, The Palm is the first entertainment resort destination in the region and located at the centre of the crescent of The Palm in Dubai. Opened in September 2008, the unique ocean-themed resort features a variety of marine and entertainment attractions, as well as 17 hectares of waterpark amusement at Atlantis Aquaventure, all within a 46-hectare site. It is home to one of the largest open-air marine habitats in the world, with over 65,000 marine animals in lagoons and displays including The Lost Chambers Aquarium, a maze of underwater corridors and passageways providing a journey through ancient Atlantis. Aquaventure Waterpark features 18 million litres of fresh water used to power thrilling waterslides, a 2.3-kilometre river ride with tidal waves and pools, water rapids and white-water chargers. Dolphin Bay, the unparalleled dolphin conservation and education habitat, and Sea Lion Point were created to provide guests a once in a lifetime opportunity to learn more about one of nature's most friendly mammals. Atlantis, The Palm is also known as *the* culinary destination in the region with a collection of world-renowned restaurants including Bread Street Kitchen & Bar, Nobu and Ronda Locatelli. The resort boasts an impressive collection of luxury boutiques and shops as well as extensive meeting and convention facilities.
