About Bread Street Kitchen Dubai

Gordon Ramsay's Bread Street Kitchen & Bar champions contemporary British dishes with influences from Europe and beyond. Inspired by the original Bread Street Kitchen in London, the relaxed warehouse setting is a favourite destination for families and friends, featuring outdoor dining, an ice-cream bar, and a lively Friday brunch. Under the guidance of celebrity chef Gordon Ramsay and helmed by award-winning Chef de Cuisine Cesar Bartolini, the menu consists of a selection of British classics and Gordon signatures, including fish and chips in a craft-beer batter, the legendary beef wellington, and indulgent puddings that will transport you back to your childhood. At the bar, there's a broad range of wines, beers, and cocktails from which to choose, including Bread Street's signature gin and tonics. Almost as popular as the bar is the Bread Street Kitchen Ice Cream Counter, which serves homemade scoops of velvety gelato including the legendary Bread and Butter Pudding softie.
