OFFERING A FULLY IMMERSIVE NAIL BAR EXPERIENCE FROM SIP TO TIP**

Nailology, a sparkling new space for luxurious nail treatments – and a delicious cocktail – is set to become one of the most sought-after nail bars in Dubai after launching on 8th March, 2021

DUBAI, United Arab Emirates– With a promise to deliver premium, unique treatments and Instagrammable moments, the introduction of Nailology to Dubai’s most glamorous residents is a cause for celebration. As the only nail bar in Dubai with in-salon mixologists, a visit to the chic nail spot is the perfect way for ladies to treat themselves and cheers to life’s big and small moments – not only on International Women’s Day, but every day.

The place to come for bespoke, luxurious nail treatments, together with a refreshing (and very photogenic) cocktail or mocktail, Nailology offers services that go above and beyond the standard nail spa salon. Classy & Sassy, the ‘classic’ manicure/pedicure, is complimented with an individually selected sparkle soaking to match each guest’s mood, along with the choice of a Coral Bliss moisturising cream, scrub, and a mask – all organic and cruelty-free products.

In addition to the classic offerings, the real stars are Nailology’s themed signature treatments, which include tailored masks and scrubs customised with special ingredients and fragrances, as well as colourful mocktails and cocktails designed by a resident mixologist to perfectly reflect the experience.

Nailology is also an amazing space for group celebrations. Guests can rent the nail bar for special events, with many customisable options from choosing the lighting, to selecting the playlist, to even naming one of the drinks for the party.
